

What is Included in an Annual Service

- • **Oil Change:** Replace engine oil and the oil filter.
- •
- • **Filter Checks:** Inspect or replace the cabin air filter.
- •
- • **Fluid Top-Offs:** Check and refill coolant, brake fluid, and windshield washer fluid.
- •
- • **Multi-Point Inspection:** Check brake pads, tire tread depth and pressure, battery health, exterior lights, wiper blades, and suspension components.
- •
- • **Software & Resets:** Scan for diagnostic updates and reset the service reminder indicator. [[1](#), [2](#), [3](#), [4](#), [5](#)]
- •

Estimated Costs

- • **Independent Garage:** £300 to £400 (approx. \$380–\$500) for standard annual maintenance.
- •
- • **Authorized Dealership:** Higher rates apply depending on local labor costs and whether extra items (like spark plugs or brake fluid flushes) are due at alternate mileage milestones. [[1](#), [2](#), [3](#)]
- •
